Camp Humphreys is a growing community, and as we grow, things will change. This map is accurate as of 7 November 2011. Please see the monthly Family & MWR magazine 'Happenings' for the latest news about activities and programs. Also, it is strongly recommended to get on the distribution list for Garrison Notes. Just send your request to 'area3mwrmarketing@korea.army.mil' You can add both your official and personal email addresses.
